

How to Speak Text 101: 88 Ways to Get In the Conversation

Texting isn't new, but the vocabulary continues to grow every day. Here's what we know: [97% of adults](#) text at least once a day, making it the [most common](#) cell phone activity.

Since Twigby wireless gives you [unlimited text](#), you want to make the most of your conversation without having to hop on Google every two seconds to figure out what is being said. We've got you covered. Remember, this is a new language, so be patient with yourself and DWBH, everyone is a beginner sometimes.

The Basics:
